2XO

2XO is an award-winning Kentucky straight bourbon whiskey brand from renowned American whiskey blender Dixon Dedman. 2XO, meaning Two Times Oak, refers to the blending process Dixon pioneered where every 2XO expression has additional oak exposure. The additional oak interaction builds the sweetness to balance out the spice from the rye in the mash bills, creating a unique combination of intense flavors, character, and complexity with each expression.

Dixon's vision is to revolutionize the category, a shift away from the overplayed nostalgic American whiskey storyline, and create an innovative Brand backed by the incredible liquid in the bottle.
